**EUGENE FIELD**

A photograph of the entrance to the Eugene Field House. The entrance is framed by a large glass block wall on either side, with a vertical orange brick column in the center. A small plaque is visible on the left side of the glass wall. The entrance itself is a dark wood door set in an orange brick frame, flanked by two small, diamond-shaped light fixtures. Above the door, the words "EUGENE FIELD" are written in white, and below the door, the number "1055" is visible. The building is made of light-colored brick and has several windows with white frames and shutters. The foreground shows a paved walkway and some bare trees.
